How are you going to get spiritually fit only working out on Sunday/one day a week?

Great Christian Movies

Redeeming Love - by Francine Rivers (Amazon Prime, YouTube)

The Mulligan - by Ken Blanchard (Amazon, AppleTV, YouTube)

War Room - by The Kendrick Brothers (Amazon, AppleTV, YouTube)

Our 'eye diet' is important. We (subconsciously) become what we see and hear most. It's our biology. It's so important, Jesus even spoke about it in Matthew 6:22 "The eye is the lamp of the body. If your eyes are focused on good, your whole body will be full of light. But if your eyes are on evil, your whole body will be full of darkness."

How about trying a different eye diet for 30 days and see what happens? Keep focused on God and His light. Or just see how you feel after one of these movies.

Word defined: ("Repent") Repent means to change course.

Q: Are you truly changing course or doing the same?

5 Things Jesus did NOT say

1. Live for your self
—> Nope. Jesus said "Deny yourself, and take up your cross, and follow me."
2. Follow your heart.
—> Nope. Jesus said, "follow me."
3. Believe in yourself.
—> Nope. Jesus said "Believe in me."
4. Live your truth.
—> Nope. Jesus said "I am the Truth."
5. As long as you are happy.
—> Nope. Jesus said "What good is it for one to gain the world and loose one's soul."

New Age / Witchcraft / Occult

Witchcraft works – but it always comes at a cost. It might be a short term cost, or it might be something that doesn't show up for years – but it will always show up.

This is because, witchcraft is simply manipulation and manifestation of one's own self-will, or the self-will of a group, instead of God's will. Self-will is the polar opposite of what God wants us to do, but it is exactly what the devil/Lucifer (the fallen angel of light – which is why the gnarliest darkness often looks like love and light) wants us doing – instead of being in the prayerful, loving, humble submission to God's will. Bottom line, manipulation from Self-will, is witchcraft, and creates a contract with darkness/evil/the devil.

- * A crystal to protect = manipulation
- * A manifestation for gain = manipulation
- * A lie / deceitful plan = manipulation

Good news! ...None of that craft is needed with Jesus. He is more powerful than all darkness in the world – and Jesus breaks all contracts with the devil/evil. And Jesus costs nothing because He has already paid the price with his precious blood. Such a relief, for the saved. So, Jesus tells us to "FLEE from evil." (not walk, not run, but FLEE). He teaches us to pray, asking The Father, for His will, not ours, be done. That's what's up.

To Self or Not To Self?

The world, mainstream culture, New Age, many religions and fake spiritual teachings and even many churches nowadays say to serve your*self*. To make self the highest truth – otherwise known as god.

This is in direct opposition to Jesus' teachings and his ask to follow His commands. Jesus says to deny self. He says to count others greater than yourself.

God says in Romans 2:8 **"But for those who are self-seeking and who reject the truth and follow wickedness, there will be wrath and anger."**

Good and Evil

Right and wrong, good and evil, yes and no -- are all binary. They are needed for society and relationships to function and thrive.

The world / mainstream culture / evil forces are working hard to abolish right and wrong, good and evil -- objective truth -- to replace it with subjective ("my truth") and non-duality BS, as the highest ideal.

Isaiah 5:20 "Woe to those who call evil good and good evil, who turn darkness to light and light to darkness, who replace bitter with sweet and sweet with bitter."

WHAT DO WE WRESTLE?

There are two types of spirits.

Holy Spirit.
Satanic Spirit.

That's it.

That is what we are fighting for, and against.

Many are misled world/mainstream culture to think that we battle against only flesh and blood -- but actually we battle against something far gnarlier... and something that we need not fear, so long as we have Jesus and stay on the righteous path -- and repent (change direction) when we stumble or turn away.

In Ephesians 6-12 God says:

"For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places."

Demons are real -- and even demons know Jesus is real and tremble at His mighty name.

So -- how do we put on the armor of God?

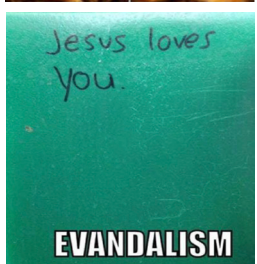

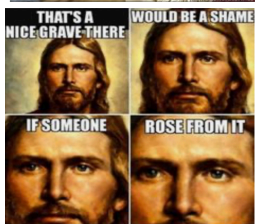

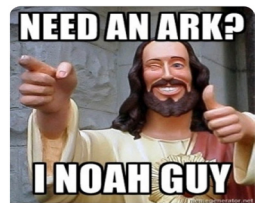

Love Jesus.

He told us...

"If you love me, you will obey my commands." ~Jesus in John 14:15-31

Pastor's Perspective-Shifters

Got a question about God?

Send it to hi@mustardseedzine.com

We will pass it on to some legit pastors with sound Biblical doctrine -- and print answers here -- in the next issue.

Self-centering / Self-love / Self-prioritization:

God is crystal clear on how this worldly, mainstream, toxic Self is to be defeated -- and how we are meant to live peaceful, purposeful, and fulfilled lives:

"Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves." ~Philippians 2:3

I already told you
I am not turning your water into
pumpkin spice latte

**Luke 1:37:
"For nothing will be impossible with God."
(And it still has to be in His glorious will, not ours.)**

Romans 12:15 Rejoice with those who rejoice, weep with those who weep.

Matthew 5:4 Blessed are those who mourn, for they shall be comforted.

Matthew 6:14 If you forgive others their offenses, your heavenly Father will also forgive you.

Luke 6:31-32
31 Do to others as you would have them do to you.

32 "If you love those who love you, what credit is that to you? Even sinners love those who love them.

THANK YOU: God, Jesus, Holy Spirit. Thank you to everyone who read this, who shared it, and who allowed us to place it in their store, restaurant, church, office, etc. Thank you to the team who helped get this issue out. This is the first of many. There were 2 successful (by world standards) versions of this zine and format before this one. We are using the same format but this time, making it for Jesus! We pray that if it is God's will, this zine becomes a bridge to bring people out of the enemy's false-light (remember, Lucifer was the angel of light before he fell to earth, so he knows how to make things look like love and light when they are dark) and into the true light of Jesus!
